Alma Mater, M.H.S.

I.

Dear Alma Mater, M.H.S.
Our School and our home and our guide
to success,
We'll remember with joy every day
that we knew
When we lived with the spirit of you.

II.

You have guided us all in the days
of our youth;
You have taught us to walk in the
ways of the truth;
We have learned to be loyal, courageous
and true,
And to love in the spirit of you.

III.

Though the years will go by and we're
far, far away,
We will never forget this, our vow
of today,
All through this life in each thing
that we do,
We will live in the spirit of you.

Dedication

JOSEPH L. KING

Through our years at Memorial High, we have grown to know Mr. King by being in either one of his classes or under his supervision in the Student Council or on the Traffic Squad. As advisor to the Senior class, it has always been his will to be a friend and to give a helping hand when it is needed. Because of his complete understanding and patience both in and out of the classroom thus proving himself to be a friend in need, a true friend "in deed," the class of 1957 proudly dedicates this yearbook to him.

Appreciation

ERNEST E. THOMAS
Vice Principal

Memorial High School welcomed Mr. Thomas in the year of 1928 as a teacher of American and modern European history. Later he became Vice Principal and has held this office under four principals: Mr. Mack, Mr. March, Mr. Small, and Mr. Deich.

From the time he entered its doors, he has been loyal to M. H. S., has served its purpose faithfully, and has been a friend to all others who have entered and departed with a bit of M. H. S. spirit. This year, Mr. Thomas himself has decided to leave through these same doors, taking with him memories of our school and of the many varieties of students he has known.

As we ourselves leave with a bit of M. H. S. spirit, we will also leave with fond memories of Mr. Thomas, to whom we, the class of '57, dedicate this page—in appreciation.

SAMUEL DEICH
Principal

The thought I would leave with the members of the Class of 1957 is expressed in this bit of verse:

"One ship drives east, another west,
With the self-same winds that blow.
'Tis the set of the sails, and not the gales
Which decides the way to go.

Like the winds of the sea are the ways of Fate
As we voyage along through life.
'Tis the will of the soul that decides the goal
And not the calm or the strife."

My heartiest congratulations to each of you upon your graduation from Memorial High School. May the "doors" of your future be the kind that open the way to health, happiness, and prosperity.

A Backward Glance

What did I get out of high school? This is a question we all ask ourselves, as the door of our high school days swings to a close. Of course, we all acquired some knowledge from our academic work, but there was another important part of our education. We learned to make decisions for ourselves and to get along with others. These qualities give us a firm foundation for the future. Build on that foundation, and the door will never be closed completely, for the past will be linked with the future.

Helen Boucher, *Co-editor*

A Forward Look

Our years at Memorial High are now almost at an end. We will have many new problems to face, new friends to keep, new years in which to build success. The door of life is not an easy one to open if you lack the will or courage to do so, and you cannot get through a door without opening it first. M. H. S. has opened this door for us, and we are all ready, willing, and able to cross the challenging threshold. May the memories which this book will recall always renew in us the courage and spirit to face and conquer the obstacles of the future.

Lester Garnier, *Co-editor*

Class Prophecy

Good evening, Mr. and Mrs. America and all our friends in outer space. This is station WMHS presenting a bird's-eye-view of the news. This is Monitor doing things and going places.

We look first at world events:

BUENES AIRES: Inhabitants are being driven from their homes due to the sudden over-production of Betty Bonnar's banana plantation. Miss Bonnar, a connoisseur in that field, is baffled.

WASHINGTON: Secretary of Agriculture, Peter Goble, assisted by Under Secretary of Agriculture, Pat Leonard, leaves today for Algeria to study the farm problem there.

TOKYO: Word has been received that Ambassador Dale Sena has arrived at the Air Force Base where she is expected to promote good will. She was greeted by Commandant Manuel Barboza.

MASSACHUSETTS: Governor Murphy, today, again vetoed the bill introduced by Helen Parker and Barbara McCallum for the elimination of the draft.

JUPITER: By inter-planet communication it is known that the U. S. rocket ship sent to Jupiter has just landed. Efficient Secretaries Diane Bernier, Jean Perry, Shirley Byrnes, Blanche Bradley, Isabel Brown, Pat Linton, Anita Bernabeo, Helen Tanguay, and Esther Garnier are on hand to transcribe the Jupitonians' first words. On the way soprano-first-aider, Sallie Fickert, provided entertainment and "battle ribbons."

The C.I.O. disclosed today that "The McCrillis-Peak Specialty Shop," where the loudest vests and reddest hats are found, has just merged into a cigar factory due to a personal interest in that field.

We switch now to the entertainment business—

A recent concert has people buzzing. On the program Miss Suzanne Briggs gave a cello solo of "Be-Bop-A-Lula" accompanied by Nancy Drake on the violin. Edward Kraus provided concert-goers a special treat in the form of his arrangement of the "Knuckle-Cracker Suite." Judy Piver also added to the program by singing that famous aria "Don't Be Cruel." Socialites seen there were Mr. Alton Caswell III, Multimillionaire, and Mr. James Churbuck, President of the Buick Company.

The opening of the cafe-circuit was launched last night at Blinstrubs' with an all-star review starring that world famous dance group, "The Charlestonaires," (Pat Michael, Alice Hearn, Carol Marshall, Evelyn Martins, Helen Boucher, and Marilyn Perkins); that renowned accordian virtuoso, Frank Petkunas, with his famous talking monkey; and lastly an interpretive dance by Barb Rubeski.

The world premier of "The Quiet Man" will be held tonight at Francis Teceno's Theater in New York. Leading role stars Gregory Jigerjian with Bob Howard his understudy. Stage sets were erected and designed by Architect Steve Jackson. George Jordan served as Lighting Director. Flowers were provided by Lolly Medas, Jean Tassinari, and Raymond Parent.

The co-feature for the evening, "The Ooo!*-!*!! Drivers" stars Frank Sampson, Dave Sopa, Bob Lakey, Carl Lind, and Howard Vera. This movie is famed for its authenticity and perfect casting.

Flash ! ! ! Pleas have been heard from Jupiter for more secretaries to hop the next rocketship. Already signed up are Debbie Deane, Mary Esther Perkins, Jane Thayer, Ann Reynolds, Esther Gomes, Audrey Boardman, Elaine Perkins, and Rosalind Hollis. Contact this station immediately if you wish to sign up.

Be sure to buy your greeting cards at the "Joyce Letendre Shop." Here you will find the worst cards at the lowest prices. Remember the slogan "When you hate enough to send the very worst." The location is right beside the beauty shop owned by Elaine Freitas, Gail Pollard, and Elaine Maxwell, with the latest hair styles modeled by Phyllis Niro, and across the street from Betty Howes' Ceramic Shop where pots of all shapes and sizes may be found. "I'm going to pot," Betty says.

Now back to the news—

The "Aluminum Key" has been awarded to Luana Allen for her great painting, "Sniffer," posed for by Featherweight Champion, Paul Belrose.

Charles Dimond, who discovered how to get strawberry milk from Elsie the Cow, will be honored at a banquet this evening by Don Washburn, National President of F.F.A.

Class History

In September of 1953, the two front doors of M. H. S. swung open to welcome another group of timid recruits who had been recently promoted from Bates Junior High—the Class of '57.

It was not long before arrangements were made by the new principal, Mr. John Small, for our first class meeting in October. Shortly after, we elected as class officers: Roberta Caswell, President; Irving Murphy, Vice President; Carolyn Marshall, Secretary; and David Sopa, Treasurer.

Lest we be out-done by the "upperclassmen," members of the Class of '57—both boys and girls—were active in freshman sports. Six girls were chosen to cheer the boys on, namely: Roberta Caswell, Captain; Roberta Walker, Marilyn Perkins, Alice Hearn, Jean Washburn, and Carolyn Marshall.

In May the class played host to the incoming freshmen from the Bates, Assawompsett, and Pratt Free Schools at the annual Freshman-Eighth Grade "Get-Acquainted Social" in the high school auditorium. Thanks to our class advisor, Mr. Kiamie, this was one of the high spots of the year.

In addition the Class of '57 established a "first" by electing the Petkunas twins, Frances and Frank, as recipients of the Silver "M" award.

And so, the Class of '57, after a busy first year in high school, was ready, willing, and able to enter those two front doors once again to begin their second year's tour of duty.

The first thing that comes to mind in recollecting the second year of our high school careers is the thought that we were now "upperclassmen," if only in our first year of holding that honor. As such we took ourselves very seriously and got down to the matters at hand.

We now were led by able class officers: William Wheeler, President; Frank Petkunas, Vice President; Frances Petkunas, Secretary; and William Rogers, Treasurer, their enthusiasm inspiring our class greatly.

With the capable assistance of Miss Whitty, our class advisor, we were able to hold a very successful Christmas social, which is among our most pleasant memories. We concluded our year with a class outing to College Pond in the spring.

During our sophomore year, we were honored by having two of our classmates, William Wheeler and Manuel Barboza, elected to the Silver "M" Society.

Also our interests in sports became acute. Many of the boys participated in football, basketball, and track. The girls, too, showed signs of ambition by having as many as six girls on the Junior Varsity Basketball Team.

Thus our sophomore year came to a close.

Upon entering our junior year, William Wheeler was elected to his second consecutive year as president of the class of 1957. Serving with him as class officers were: Keith Humphreys, Vice President; Frances Petkunas, Secretary; and Lester Garnier, Treasurer.

We were very proud when thirty of our members were elected to the Pro Merito Society, and Marilyn Perkins, Lester Garnier, and Carolyn Marshall were tapped for the Silver "M" Society.

Before we knew it, we were in the midst of our Junior year festivities. It was during this year that we originated the "Basketball Bounce" which seems to have established a precedent. In our whirlwind of activities we got our class rings and started planning our Junior Prom. The theme of our Prom was "Cherry-Pink and Apple Blossom-White" and under the guidance of Miss O'Neil, our class advisor, our class officers and various committees worked together to make our Junior Prom the social event of the year.

At our first class meeting, Mr. King, upon whose sturdy shoulders fell the duties of class advisor, explained the many and varied duties that we as seniors are expected to carry out.

As the football and hockey season opened, the members of our class were very active in these sports, especially the girls. Meanwhile, our senior cheerleaders did their best to cheer our boys on to victory.

At the first Silver "M" tapping, Irving Murphy and Susan Foster were chosen from our class, and later in the year Helen Boucher, Norman Bruffee, and Keith Humphreys, were similarly honored.

Our Senior Play, "Green Valley," directed by Miss Mary Anacki and assisted by Nancy Drake, was presented on March 8.

Under Mr. Churchill's patient direction, the choir, band, and orchestra, each of which have many senior members, practiced many hours in preparation for coming concerts.

Our graduation committees have made preparations for that great event, and now the door of our high school life is beginning to close. For each of us, however, graduation will be the opening to the door of the future.

Class of 1958

In May of 1954 we made our first visit to M. H. S. as guests of the freshmen at their "Get Acquainted" Social. In September we joined the ranks. At our first class meeting we elected the following officers: John McDonald, president; John Logan, vice president; Martha Nay, secretary; Glenn Griffith, treasurer. In May it was our turn to welcome the eighth graders when we sponsored our social.

During our sophomore year John McDonald, Martha Nay, and Glenn Griffith were elected to their same offices, while Frank Follett served as vice president. One of our projects was a very successful Christmas Dance. At the end of the year we went to Nantasket for our class trip.

As juniors we again elected John McDonald, Martha Nay, and Glenn Griffith. Our vice president was Gordon Leighton. As was expected, our biggest event of the year was the Junior Prom which, thanks to Miss O'Neil, our class advisor, turned out to be one of the best.

Representing the class in the Silver "M" Society are John McDonald, David Butler, Elaine Battis, Dianne Beckman, Marion Barnard, and Barbara Eayrs. This year members of our class were initiated into the Pro Merito Society. There is a good number in the class of 1958 active in sports, both boys and girls.

We are now looking forward to another happy and successful year at M. H. S.

Class of 1959

Our first years at M. H. S. have seemed "jet propelled," but let's stop our aircraft and review the history of the Class of '59.

In September, 1955, the Class of '59 made its debut in M. H. S. In November of that same year we elected class officers. James Bonnar was chosen President; Pat Rogers, Secretary; and Madelyn Medeiros, Treasurer. Under this able quartet we held a "Get Acquainted Dance" in May of 1956 for the incoming freshmen.

Under this year's officers, Athan Savas, President; James Bonnar, Vice President; Greta Hale, Secretary; and June Hall, Treasurer, we held a most successful Christmas Dance. Dave Hanson and John Swartz were honored by being chosen to join their classmates, Pat Rogers and James Bonnar, who had been selected during the freshman year, in the Silver "M" Society. Our contributions to the varsity cheerleading squad were Susan Edgerly, Bonnie Blais, and Jeanne Perkins. Many of the boys from our class participated actively in sports. The girls also set shining examples by contributing to outstanding field hockey and basketball seasons.

Blasting off! We are on our way, ready to continue our trip through M. H. S.

Class of 1960

Coming into Memorial High School was not a new experience for most members of the Class of 1960, for we have been treading high school floors since Bates Junior High School was destroyed by fire in September of 1954.

The "Get Acquainted" Social was our first introduction to being a part of Memorial High School.

In the field of sports we had an excellent turnout for football. The freshman team worked hard and won four games, tied one, and lost four. Our successful season would not have been possible without the help of our cheerleaders, Captain Donna Falconeiri ,Peggy Ducharme, Mary Medeiros, Ann Friedenfeld, Ann Gillis, Mary Mercer, Christine Niedzwiecki, and Linnea Nyberg.

Our first class meeting was held on December 12, 1956. Our elected officers are Richard Burr, president; Ann Gillis, vice president; Eleanor Walker, secretary; and Roderick Berry, treasurer.

Nearing the end of our first year at M. H. S., we feel that we should extend thanks to Mrs. Moriarty, our advisor, and to the rest of the faculty to whom we owe a great deal of appreciation.

Track

Memorial High School saw its first officially sponsored track team during the season of '46-'47. Since then, track has progressed to a very enviable degree in Memorial High. The first spectacular meet in the history of the school was won by two tenths of a point against Plymouth High School. This is typical of our track team, always coming through in a pinch.

While football, baseball, and basketball create a certain *esprit de corps*, track is more of a self accomplishment. In other sports, an outstanding player is only as good as the team. In track, any boy who can withstand temptations, overcome the physical obstacles, and practice faithfully will receive his just dues. In this way, track affords a great deal of self-satisfaction.

Captain Francis Bosari did much to bring about our first track team and to set high records. Each year records have been set higher. In '54 Captain Bill Farley set new records in the 100 yd. dash, the 220 yd. dash and the running broad jump. It will certainly take a good athlete to better the marks set by him.

Our track season usually starts off with an interclass meet, followed by six South Shore meets with other schools in the South Shore League. The state meet, in which our best athletes participate, takes place sometime during the season. At the end of the season all schools in the South Shore League have a meet, and gold medals are awarded to the winners.
